SUMMARY

Hi, I'm sosring, a self-taught web developer with a passion for creating engaging websites. I love experimenting with the latest technologies and design trends to craft beautiful and intuitive user interfaces. When I'm not coding, I'm either listening to jazz music, sketching, or enjoying a good cup of coffee. With a dedication to collaboration and attention to detail, I'm committed to exceeding my clients' expectations. Let's work together to create something amazing!
